notice of the book reading a short extract. This may be a moving part of history or an introduction at the beginning. Anyway, it makes the discussion move. Ask the participants about the book's title, but keep questions about the end of the book to later in the club's gathering. I also ask the group what a key points they would mention in a review of the book. Investigate in advance and summarize the author's background to give people something to work. Many reading clubs will read a series of books written by the same author. Ask the members that believe it was the author's reason to write the book, or see if they would change the end. Throw a question by asking your opinion about how well the author made the story. If your reading club reads a book written by a local writer, you may be able to persuade the author to attend his reading club. Use visual and practical visual accessories create inter-s. Print photos related to the book. Cook a meal that includes food or geographical kitchen of the book. For example, if the book takes place in Tuscany, serve an Italian meal or an Italian meal or an Italian wine. It reproduces appropriate music that accompanies the story. Some books have videos that are linked to the subject, which would be an excellent way to start their gathering. Readers questions of readers who relate to them individually. See if they learned something from the book. to members if they would recommend the book to another person. Ask if they relate to any of the characters in the book. These questions also customize the reading club experience. Book Club Activitidideke things a step faster and that the group participates in activities. An interactive connection can be made playing a literary game as a group. If the music is important in the book, make the members mark the cities, states or pairs with a marker or thrust pin. If the group is outgoing, pages that represent characters or situations of the book. Brene Brown's Wilderness's Wilderness questions is about "the bust of true belonging and courage to be alone." It is an election of the Reese reading club of the renowned researcher of "Vergã¼enza" that has a popular and identifiable way of communicating about how you will be yourself and connect with the demigres, particularly in a divisive world. He is a summary appointment of the brown about a Wilderness, is about being alone in their personal beliefs and values and connecting with the demians in his. This is how to share your most authentic being: to be alone as much as part of a community, since we all have a primary desire to be part of something more great than ourselves, according to Brown, the true belonging only only It can occur when we present our most automal and imperfect beings for the world. So, we must first have the courage to be ourselves, then belong to a community. Buy Nature on Amazon 7 "Confidence" aspects to survive nature Brene Brown's Braving the Wilderness offers 7 aspects of "truth" that will allow us to survive the desert, which means to practice authenticity, belonging and civility: Limits - respecting the limits of the other and being able to say no when it is necessaryReliability - to commit to doing what we say to judge them to be generous - to possess our errors and to share Purchasing the Wild Vision Brown points out that "self-selection" (by choosing to be around those like us) is common, and this results in a lack of meaningful social interaction. He says pain can only decrease when we recognize it and care about it. Committing to approach each other means committing to experiencing "true conflict" with others. People are harder to hate when they're close. For this reason, another important point that Brown does is fight dehumanization. Brown does in the fight dehumanization does not be a fight de research.
